ACTION PLAN

Fix the margin, then restart growth

1. Fix Laptop (5.3%) and Smartphone (8.5%) pricing, discounts and supplier cost; +1 pt on Laptops adds about 7,000 profit
2. Bundle Office Supplies and Headphones with larger orders
3. Investigate Chennai and Kolkata (below 9%) for discount leakage
4. Grow East and Small Business; regions sit within 10.1-10.5%
5. Scale Bengaluru and Chandigarh (11.6%) practices to other cities
6. Next: verify year-wise profit and whether discount is a rate or amount
